

SusHi Tech Tokyo 2026 G-NETS Leaders Summit

Overview

Leaders from 49 cities across five continents will come together under the theme “A New Urban Future built on Climate and Disaster Resilience.” They will engage in discussions and share insights and best practices from their diverse urban initiatives. The outcomes of these discussions will be compiled into a joint statement (communiqué), and as a new initiative, each participating city will announce concrete actions and targets to strengthen resilience, to be shared with the world.

Dates: Monday April 27 – Wednesday April 29

Venue: Grand Nikko Tokyo Daiba (2-6-1 Daiba, Minato-ku), and other locations (partial livestreaming planned)

Language: English (with simultaneous interpretation into Japanese)

Theme

Overall theme: A New Urban Future built on Climate and Disaster

Session themes: Urban Climate and Disaster Resilience (Responding to Natural Disasters; Promoting Decarbonization ; Promoting Greenery) Well-being in Cities (Promoting Culture, Sports, and Entertainment; Realizing Inclusive Societies; Harnessing AI and Digital Technologies)
